OBJECTIVE

Developer with a Master's in Electronics Communication and System, experienced in front-end and embedded development. I've built scalable applications—from code editors to real-time IoT solutions—and am eager to create user-centric, impactful technology in a collaborative environment.

EXPERIENCE

- **Front-End Developer,** Zuul, Bangalore   Jun 2023 – Jan 2024

    – Contributed to various projects, gaining hands-on experience in web development using HTML, CSS, JavaScript, and React.

    – Navigated a professional transition by spending time on the bench before seeking new opportunities to further grow and apply my skills.

- **Embedded Developer, Enarxi, Chennai**   Sep 2022 – Feb 2023

    – Developed software using the EasyEDA design tool for PCB designs.

    – Managed hardware development processes including etching, drilling, and Surface Mount Device (SMD) techniques.

    – Transitioned roles due to company layoffs.

EDUCATION

- **Masters of Electronics Communication and System**, Sri Krishna Arts and Science College, Coimbatore   2022
  Percentage: 85%

- **Bachelor of Electronics**, St Joseph's College, Trichy   2020
  Percentage: 72%

- **Higher School Leaving Certificate**, E R Hr. Sec. School, Trichy   2017
  Percentage: 70%

- **Secondary School Leaving Certificate**, E R Hr. Sec. School, Trichy   2015
  Percentage: 60%

SKILLS

Technical Skills:

- **Languages:** HTML, CSS, JavaScript, Python
- **Version Control:** Git, GitHub
- **Frameworks & Libs:** React.js

Soft Skills:

- Adaptability
- Time Management
- Teamwork
- Observation

PROJECTS

- **IoT Real-Time GPS Location Tracker - Final Yr Project at Sri Krishna Arts and Science College** *[Embedded C]*
  Developed a real-time GPS location tracking system using NodeMCU and the Blynk app. Utilized the Ublox Neo-6M GPS module to track the device's location effectively. The system displayed coordinates on the Blynk app in real time, allowing users to monitor continuously the device's location.

CERTIFICATIONS

- **Front-end Developer**, Coursera   Oct - 2023
- **AI-FOR-INDIA**, Online Workshop, GUVI   Jul - 2021
- **Certificate of Merits in College**, Awarded for Management, St Joseph's College   Jan - 2018
